

Request for Proposals (RFP)

RFP – 01-2022

Community Psychiatric Hospital Beds

Question and Answer Document

Opens: August 16, 2021

Closes: September 06, 2021

1. Q: We sent in our Letter of Intent however, we just wanted to ensure that our Waco and Abilene locations are viable locations to support your RFP for Community Psychiatric Hospital Beds. 09/02/21 11:18

A: Thank you for your question on locations. Although the location of proposed psychiatric hospitals beds will be a factor in Pecan Valley Centers' decision, it is only one of several factors that will be considered. Therefore, we encourage all interested bidders to make their case as to why or how their facility(s) location is a viable location for our agency's clients, client's families, and local law enforcement who will be transporting our clients. 09/02/21 12:09

2. Q: I am confused - is the RFP due September 13 or 16? 09/03/21 04:25 PM

A: Thank you for your question on due dates. As a result of your query, I noticed the published/posted RFP has two different due dates written in the document. On page #1, the due date states September 13, 2021, on page #5, the due date states September 13, 2021, however, on page #6, the due date states September 16, 2021. The intended due date was September 13, 2021, however, since this was a publishing/posting error on our part, inputs will be accepted through September 16, 2021, at 12:00 p.m. 09/07/21 7:54 AM
